RESPONSE TO NOTICE TO FILE MISSING PARTS OF APPLICATION

Assistant Commissioner of Patents Washington, D.C. 20231

Attention: Manager, Application Branch

Sir:

In response to the communication of June 1, 2001, Applicants submit the following:

- 1. Copy of the Notice to File Missing Parts of Nonprovisional Application;
- Copy of the transmittal cover sheet filed on March 26, 2001, identifying this
 patent application (Serial No. 09/816,124) as a Continuation of Serial No.
 09/308,164;
- A copy of the Combined Declaration and Power of Attorney as filed in the parent application Serial No. 09/308,164 (a copy of which was also submitted on March 26, 2001);

Please associate the enclosed documents with the above-identified application.

The applicants also desire that the sequence listing in the continuation application be identical with that of the parent application (Serial No. 09/308,164) in accordance with 37 C.F.R. § 1.821(e) in lieu of submitting a new CRF.

Given that this was identified as a continuation patent application and the Declaration was already on file in the parent case, there should be no surcharge for late submission of a Declaration. However, if there are any fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. **50-0622**. If a fee is required for an extension of time under 37 C.F.R. § 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,

SHANKS & HERBERT
